Ordering Information

Orders may be placed directly via our on-line catalog or with the factory by calling toll free (800) 227-8059. For the convenience of our customers, Huntington accepts credit purchases using most any credit card using our payment gateway partner, PayPal. We also accept corporate or government purchase orders from approved entities.

Terms of Sale

Prices are F.O.B. Grass Valley, California. Terms, for approved purchasers, are net thirty days unless otherwise negotiated. A minimum billing of \$100.00 is made for orders that total less than that amount. Approved returns of standard products are subject to a restocking charge of 20% or \$50.00, whichever is greater. Call for a returned materials authorization (RMA) before shipping. This charge does not apply to warranty returns or incorrect shipments.

Stock and Delivery

Most standard Huntington products are immediately available from stock. In the event we are out of stock of an item we will give you the estimated delivery date and confirm approval before incurring any charges.

Prices

The prices in this e-catalog are representative of Huntington's current pricing of standard products and are maintained to be as accurate as possible. Due to market fluctuations a rapid changing of materials pricing may require a change in the advertised price. In these cases the customer will be notified and the order held for customer approval prior to charging and shipping the product(s).

Pricing of Custom Items

Prices on modified or custom-designed items must be given on a quotation basis. Please contact the factory for assistance and specific quotations. You may also use our on-line quote here.

Discounts

Quantity, Educational entity and OEM discounts may be available to qualified customers. For information, call (800) 227-8059.
